## Technical Skills

Programming Languages

- Java
- Python
- Dart

Web development

- HTML
- CSS
- JavaScript
- PHP

Frameworks

- Flutter
- Spring Boot

IDES

- Android Studio
- VS code
- IntelliJ IDEA

DBMS

- MYSQL

Version Controlling

- GIT

UI/UX Design

- Figma

Other

- Postman
- Davinci Resolve
- Premier pro

## About

Motivated software engineering student with a passion for problem-solving and technology. Proficient in mobile app development and eager to apply skills in a professional setting. Seeking internship opportunity to gain hands-on experience and contribute to innovative projects.

## Education

01/2022 - present
Colombo

**Reading BEng (hons) Software Engineering,**

**University of Westminster**

09/2022 – 12/2022
Colombo

**Foundation Certification of Information Technology**

**Informatics Institute of Technology**

2012 – 2020
Badulla

**GCE Ordinary Level & GCE Advanced Level**

**Badulla Central College**
Completed Ordinary Level in 2017
Completed Advanced Level in 2020 in maths stream

## Degree Modules

Software Development (63%)

Web Designing and Development (62%)

Computer Systems and Fundamentals (84%)

Object Oriented Programming (Taking)

Database Systems (Taking)

Server Side Web Development (Taking)

Software Development Group Project (Taking)

Algorithms: Theory, Design and Implementation (Taking)

## Soft Skills

- Team Work
- Time Management
- Leadership
- Quick Learner
- Hardworking
- Self Motivation

## EXPERIENCE AND ACHIEVEMENTS

## DECLARATION

I declare that the information provided in this CV is accurate and complete to the best of my knowledge

## Projects

**ShapeShift,** Automated Gym Management Mobile Application Using Machine Learning.

ShapeShift is a fitness management app created by a team of five second-year students. It tackles the challenges of outdated gym operations and the difficulty in accessing personalized fitness guidance. The app simplifies gym routines and facilitates connections with certified fitness instructors. Through its innovative features, ShapeShift aims to enhance health and wellness among users, bringing about positive changes in the fitness industry in Sri Lanka.

- **Flutter(Dart) | Spring Boot(Java) | TensorFlow(Python)**
