

CHALANKA JINADASA

IT Graduate Specializing in Software Engineering

RESUME OBJECTIVE

I'm a soon-to-graduate Software Engineering student, finishing up in March 2024. I enjoy solving problems, analyzing things, and love coding. I'm always looking for ways to get better at what I do. Outside of tech, I'm a sports lover. I'm keen on software engineering jobs because I want to learn from experts in the field and contribute my skills to interesting projects.
