Full Stack Developer

Postman Student Leader @ University of Ruhuna | Microsoft Learn Student Ambassador
Top Software Development Voice @ Linkedin

I am an enthusiastic BICT undergraduate student at the University of Ruhuna. My academic pursuits are driven by a deep passion for creative problem-solving, effective leadership, and the ability to perform under pressure. With a solid background as a full-stack developer with eight years of experience, I have honed my skills, with a specialization in Flutter. My commitment to staying abreast of the latest technological advancements is unwavering. I am always eager to engage in collaborative endeavors and firmly believe that, as a team, we can successfully tackle the challenges within our rapidly evolving industry.
