SUMMARY

I'm a dedicated 4th-year IT undergraduate at Sri Lanka Institute of Information Technology (SLIIT) with strong foundational knowledge in software quality assurance. Passionate about ensuring software reliability through systematic testing methodologies while bridging academic theory with practical QA applications. Seeking to contribute to innovative projects while developing expertise in modern testing frameworks and agile practices.

TECHNICAL SKILLS

- Test Documentation: Test Cases, Bug Reports, Test Plans
- Tools: Postman (API testing basics), Jira
- Teamwork
- Communication skills

PROFESSIONAL EXPERIENCE

Intern Quality Assurance Engineer **July 2025 - January 2026**
Cenzios pvt ltd

- As an Intern QA Engineer, I gained hands-on, company-level experience in end-to-end manual testing cycles, including test case design, execution, and defect logging. I developed proficiency in using Jira for project management, sprint tracking, and bug reporting, while deepening my understanding of core QA concepts like regression, smoke, and UI/UX testing within an Agile team environment.

EDUCATION

- **Sri Lanka Institute of Information Technology** **Jan 2023 - present**
