malindalakshan41@gmail.Com

No. 155, Nuwaraeliya Road, Paradeka

ABOUT ME

Motivated and detail-oriented aspiring software developer with hands-on experience in full-stack and backend application development. Interested in building reliable systems, integrating APIs, and contributing to real-world software products. Seeking an internship or entry-level software developer position to apply technical knowledge, problem-solving skills, and passion for software engineering.

CAREER OBJECTIVE

To obtain a Software Engineering Internship or Entry-Level Software Developer position where I can apply my technical knowledge, problem-solving abilities, and passion for software development to build practical solutions and contribute to organizational success while continuously improving my technical expertise.
