SUMMARY

I am Prabani Devindi Kudagama, I am currently pursuing a B.Sc.(Hons) in Information Systems Management at Rajarata University of Sri Lanka and a B.Sc.(Hons) in Law at the Open University of Sri Lanka, Polgolla. I have a solid understanding of software testing methodologies, quality assurance processes, and system analysis. I have learned manual testing and I am also familiar with tools such as Postman, JIRA, and Katalon Studio, and I am passionate about combining technical expertise with analytical thinking to deliver reliable, user-centered software products. I am expecting a job relevant to the IT field.
