TECHNOLOGY STACK

Programming Languages
Java | ECMAScript | TypeScript

Core Programming Platforms
Java SE 11 | Jakarta EE | Node JS | Spring Framework | Browser Web API

Java Libraries and Frameworks
Spring Boot | Spring Data JDBC | Spring Data JPA | Spring Cloud Gateway | Hibernate ORM | Hibernate Validator | Apache DBCP | Apache Common Codecs | Jackson | GSON | Yasson | Parsson | Lombok | JUnit | Java FX | Jasper Reports

ECMAScript Libraries and Frameworks
Angular | React | Express JS | jQuery | jQuery UI | RxJS | DotEnv

Database Management Systems
MySQL | PostgresSQL | Firebase Cloud Store

PROFILE

A proactive and detail-oriented professional dedicated to continual growth and impactful contributions within the software industry. Demonstrating unwavering commitment, I embody a strong work ethic, adeptly grasping new concepts and swiftly adapting to evolving technologies. With a passion for problem-solving and a relentless pursuit of excellence, I am poised to leverage my skills to drive innovation and achieve ambitious goals in the software landscape.

EDUCATION

BSc. Eng. (Hons.) Civil and Environmental Engineering
University of Ruhuna
2017 – 2023
Programming Fundamentals | Project Management |
Differential Equations | Calculus | Linear Algebra | Applied Statistics | Engineering
Economics | Business Economics and Financial Accounting

GCE Advanced Level Examination(2016)
Pinnawala Central College
2011 – 2016
- Combined Mathematics - A
- Physics - B
- Chemistry - B

PROFESSIONAL EXPERIENCE

Institute of Software Engineering
Associate Software Engineer
08/2022 – present | Panadura, Sri Lanka
edu-panel full project : use functions
- create lecture / user
- update lecture / user
- delete lecture / user
- get a lecture / user
- get all lectures / users
- login

Selltec Group (Pvt.) Ltd. (2months)
trainee civil engineer
- labour management
- planing & quality checking
- designing

Homelands Construction (Pvt.) Ltd.(4months)
trainee civil engineer
- labour management
- planing & designing
- target covering

Tools
IntelliJ IDEA | VSCode | Maven | NPM | PNPM | Git | GitHub | GCloud | Parcel JS | Spring Boot Dev Tools | Nodemon | LiveServer | Emmet | Postman | DataGrip | Jasper Studio | Cisco Packet Tracer | SceneBuilder

Markup, Expression, and Other Languages
SQL | XML | JSON | HTML 5 | CSS 3 | SCSS | RegExp | Jakarta EL

Other Libraries
Bootstrap | Angular Material | Animate.CSS | Normalize CSS | IonicIcons | Tailwind CSS

Operating Systems
Linux | Windows

SKILLS

- Communication
- Collaboration
- Problem-solving
- Leadership
- Time management
- Adaptability

PROJECTS

Smart Point of Sales System for Super Market (Ongoing Project)
This Application is designed for supermarkets to maintain customer details (including updating and deleting), save item records (including updating and deleting) and maintain order details and automatically update available stocks. Using this app sale process can be easily managed.

Java | MySQL| Maven| Lombok | JavaScript| CSS| Java-fx| SceneBuilder

Education Institute Panel Board (Ongoing Project)
This Application is designed for Education institute to maintain full-time and part-time lecture (including create, update, delete and get) .

Java | Spring | Maven | Lombok | Angular | Hibernate | Firebase

To-Do-List App
Create a task management application designed to streamline the process of scheduling and organizing tasks, prioritizing user-friendliness and simplicity.

Nodejs | Promises-mysql | Express | Cors | Angular | ReactJS | TypeScript | Bootstrap | HTML | CSS | Firebase

Session-App
Create a web page sign-in , sign-up and log-out functionally

HTML | CSS | Connection pool | Tomcat | Servlet | JSP

EXTRA CURRICULAR ACTIVITIES

- Being a Member of Civil and Environmental Engineering Society (CEES).
- Being a Member of Leo Club University of Ruhuna.
- Committee Member of MEXCELLENCE Organizing committee in 2018.
- Third place of the 'Mech Bot Challenge' in Mexcellence-2018.
- Participated in the 'Spaghetti Bridge Competition 2019'.

SPORTS ACTIVITIES

- Vice caption of the faculty carrom team.
- Being a member of faculty athletic team
- Being a member of freshers elle team.
