Deshan Kaluarachchi

No : 35/1,Eragoda,Gampola

ABOUT ME

Motivated and enthusiastic aspiring Software Engineer with a strong interest in software development, problem solving, and emerging technologies. Possesses a solid academic foundation in Information Technology, Mathematics, and Science, with an A Pass in General Information Technology (GIT). Quick learner with strong communication, teamwork, and analytical skills, seeking an opportunity to gain hands-on experience and grow in a professional software engineering environment.

CAREER OBJECTIVE

To obtain a Software Engineering Internship or Entry-Level Software Engineer position where I can apply my technical knowledge, problem-solving skills, and passion for software development to build practical solutions and contribute to organizational success while continuously improving my technical expertise.
