MUDITHA MADUSITH

SELF THOUGHT DEVELOPER

Profile

I am highly motivated and passionate about continuous learning and professional development. I possess strong communication and problem-solving skills. I am eager to apply my skills and experience to a challenging role in a dynamic organization.

Education

2022 — **Advanced level (Maths Stream)**
Sangabodhi National College
Currently waiting for the results.

2023 - Present — **FIT for BIT**
UCSC, Colombo
I'm currently doing a foundation course for BIT external degree.

Projects

VIRTUAL BANK FRONTEND
https://v-bank-frontend.netlify.app/
This website has only frontend I do this to improve my react js skills.

HUSH WEB
https://hush-responsived.netlify.app/
This website I do for improving my frontend skills.

BLOGGSY-APP
https://bloggsy-app.netlify.app/
I do this to improve my MERN stack skills. This web some functions are not working the reason Mongodb clusters terminated for my other projects. (This UI is simple design only.)

NFT-POOL WEB
https://nft-pool.netlify.app/
This website I do for improving my frontend skills.

BOLDO WEB
https://boldo-responsive.netlify.app/
This website I do for improving my frontend skills.
